

# The Lost Sheep

Aiming to Promote and Support Organ Donation

## How you can help

### 1. If you are crafty:

**Make a sheep or a whole flock!** They can be knitted, crocheted, made of fabric, paper or even wood - let your imagination lead the way.

### If you are NOT crafty:

Buy an inexpensive sheep or ask a kind, crafty friend to make you one.

**2. Cut** out the heart label below and attach to your finished sheep. The label gives a Website and Facebook address to find out about the **Lost Sheep** story and has links to the **Organ Donation** website.

**3. Leave** your sheep in a place for someone to find - park, library, shop, bus, on top of a mountain; take it on holiday or on a day trip.

**4. Share** the idea with your friends, ask them to join in. Share photos of your sheep to [www.thelostsheep.org.uk](http://www.thelostsheep.org.uk) or [www.facebook.com/HomeforLostSheep](http://www.facebook.com/HomeforLostSheep) if you like.

**5. Consider** becoming an organ donor, sign the online register - it's easy to do!
